To Whom It May Concern:

I would like to take this opportunity to advise you and your tenants of City of Dover Ordinance 109-26. This Ordinance pertains to the use of outdoor barbecue pits and states... "It shall be unlawful to burn barbecue pits, hibachis, grills or the like within fifteen (15) feet of any multi-family dwelling of three (3) units or more, it shall be unlawful to store combustible or flammable fuel utilized for the operation of barbecues, pits, hibachis, gas grills or the like." It should also be noted that failure to comply with this Ordinance may result in a fine of not less than \$100 but not more than \$500 for each day that the violation continues to exist. Please advise your tenants that this department will be enforcing this Ordinance. If the grills are not removed and stored the required 15 feet from the building by May 17, 2006 a violation will be issued and the individual summoned will have to appear in Dover District Court to answer the charge.

Thank you for your attention to this matter. If you have any questions, please feel free to contact the Bureau of Fire Prevention at (603) 516-6152.

Sincerely,

Eric Hagman
Captain
